Sunset Glow Facial

Inspired by the quiet beauty of a Texas sunset, this head-to-toe ritual restores skin and spirit. Featuring the Wildcatter Signature Tallow Skin Care Line, it includes a deep cleanse, steam, tallow sugar exfoliation, optional extractions, and a nourishing masque. A paraffin hand treatment, mineral foot scrub, hot stone work, and massage of the face, scalp, neck, décolleté, hands, and feet release tension and restore balance. Rich hydration and botanicals finish the experience, leaving skin polished, nourished, and refreshed.

Backcial

Features the Wildcatter Signature Tallow Skin Cream Line, designed specifically to cleanse, clarify, and nourish the skin of the back. This focused treatment includes a gentle sugar scrub to exfoliate and smooth, followed by a deep-cleansing mask to draw out impurities. Hot stones are incorporated to melt away tension and promote deep relaxation. Targeted care addresses congestion and dryness, finished with Wildcatter's rich, skin-repairing tallow creams. The back is left soothed, revitalized, and luxuriously refreshed.
